BUSINESS NEED JUSTIFICATION

University Fiscal Rules require that all expenditures by University departments and their employees are for official University purposes only, and are reasonable and necessary under the circumstances. Pcards are for conducting official University business only. Before receiving a University-issued Pcard, it must be established that the employee has a **business need** for the card.

- Employees's duties include regularly buying goods and services for CSU that cannot be done entirely through either Shop Catalogs or APO/DV in KFS.
- Employee is responsible for critical operations and needs a Pcard for occasional, but urgent, purchases that cannot be done through either Shop Catalogs or APO/DV in KFS.
- Employee is a Business Officer or Supervisor and requires the ability to make purchases on behalf of the dept. or unit that meet all applicable requirements of CSU Financial Policies.

As the Department Head or Director*, I accept the risk to the department's account for all charges made on the employee's Pcard, including, but not limited to, charges that are unauthorized, violate Pcard rules, or otherwise cannot be approved.
