

**Kuali Requisition Exercise**

<b>Activity</b>	Service Purchase Requisition Creation
<b>Objective</b>	Create PR for Services
<b>Steps</b>	<ol style="list-style-type: none"> <li>1. Access the Kuali Main Menu page.</li> <li>2. Select <b>Requisition</b> from the <b>Purchasing/Accounts Payable</b> menu under the <b>Transactions</b> window.</li> <li>3. With the <b>Requisition</b> open, click on <b>collapse all</b> (upper right hand corner) to view all tabs associated with the PR. Note: All data fields marked with an asterisk require input.</li> <li>4. Click the <b>Show</b> button on the <b>Document Overview</b> tab to expand the folder. Enter a description for your requisition and click the <b>Hide</b> button to collapse the folder.</li> <li>5. Open the <b>Delivery</b> folder to enter your campus delivery information. Click on the search button (magnifying glass icon) to the right of the <b>Building</b> field in order to search either by building code or building name. In the <b>Building Name</b> field, enter the first few letters of your building's name followed by * (ex. <b>john*</b>) and click the <b>search</b> button. Find your building and click <b>Return Value</b> to return that information to your requisition. Next, enter your <b>Room</b> number and click <b>set as default building</b> to retain your information for future requisitions. Hide the <b>Delivery</b> folder.</li> <li>6. Open the <b>Vendor</b> tab and click on the search button to the right of the <b>Suggested Vendor</b> field in order to search for your vendor. In the <b>Vendor Name</b> field, type <b>gall*</b> and click on search button, then select Gallagher Benefit Services Inc as your vendor. Click <b>Return Value</b> to return the vendor information to your requisition. Click the <b>Hide</b> button.</li> <li>7. Click the <b>Show</b> button on the <b>Items</b> tab to expand the folder. Add a line item by clicking the down arrow to the right of the window under the <b>Item Type</b> and select <b>No Quantity</b>, do not put anything in <b>Quantity</b>, <b>Unit of Measure</b>, <b>Catalog #</b>, and <b>Commodity Code</b>, and entering a <b>Description</b> of <b>Consultant Services</b> and a <b>Unit Cost</b> of <b>6000</b>. Click the <b>Add</b> button to add the line item to your requisition.</li> <li>8. Remaining in the <b>Items</b> folder, click <b>setup distribution</b> (this is above the lines that you have added) to apply account information to your requisition. Within the <b>Chart Code</b> field, select <b>CO</b> and tab over to the <b>Account Number</b> field. Click the search button in the <b>Account Number</b> field and search for your account number by entering <b>1357*</b>. Select account number <b>1357020</b> and return that information to your requisition. Next, click into the <b>Object Code</b> field and search for an object code by clicking on the magnifying glass and using the <b>Historical Financial Object Code</b> field (ex. <b>4010</b>) and return that information to your requisition. Be sure the percentage totals 100% and click <b>Add</b>. Finally, click <b>distribute to items</b> to apply the account to your requisition. <b>Save</b> your requisition by clicking on the save button at the bottom of the page. Click the <b>hide</b> button.</li> <li>9. Submit your requisition by clicking the <b>Submit</b> button at the bottom of the page.</li> </ol>
